

Lucky Litter Self Cleaning Litter Box

The ScoopFree Ultra Litter Box is totally automatic, maintenance free and hands off between litter cartridge changes, so cat owners can skip cleaning their cat's litter box for weeks at a time.

New features of the ScoopFree Ultra include a health counter, adjustable rake delay and a privacy hood.

The health counter automatically monitors the number of times your cat uses the box and serves as a helpful reminder of when to replace the disposable litter tray.

Once a cat leaves the box, an infrared beam starts the countdown timer and after the desired time, the ScoopFree Ultra rake automatically moves solids into a covered trap built into the disposable tray.

The ScoopFree Ultra is available at PetSmart, Amazon.com and www.scoopfree.com.

The suggested retail price is \$179.99.
